Response Letter dated March 16, 2023

Form 10-K for the Fiscal Year Ended September 30, 2022
Management's Discussion and Analysis of Financial Condition and Results of Operations
Non-GAAP Financial Measures, page 58

1. We note your response to prior comment 2 in regards to your adjustments for COVID-19 related excess shipping costs and project charges. Please tell us in greater detail how you concluded that these adjustments were for items separable from your normal operations rather than normal, recurring operating expenses and how you quantified the amounts deemed to be incremental to charges incurred prior to COVID-19. Your response should explain how you considered Question 100.01 of the C&DI on non-GAAP Financial Measures. Please also explain why the loss related to the Cargo Loss Incident should be excluded from Adjusted EBITDA.
